President's Corner

NJAPZA President

by: Adele Lewis

It's hard to believe another summer has gone by and we are looking ahead to another convention and the **20th Anniversary** of NJAPZA.

By now, you should have received the information regarding our annual luncheon, which has a long tradition of being a memorable event for those in attendance. This year promises to meet or exceed our reputation for providing great camaraderie, education and a delicious lunch. We are pleased to announce that for the educational portion of the luncheon, Michele Tuck-Ponder, Esq. will speak to our group. Michele is the Executive Director of the Women's Fund of New Jersey. Known as a very dynamic speaker, Michele has served as a lecturer at both Princeton and Rutgers Universities.

The Convention committee, co-chaired by Dawn Wolfe and Bonnie Imposimato, has been hard at work planning this educational and enjoyable event. I thank Dawn and Bonnie and the entire convention committee for their diligent efforts. Please see the convention section for more details. I sincerely hope that you can join us for what has become a highlight of the convention for many of us.

I also would like to thank Ilene Cutroneo, our Education Committee Chair, for continuing to improve and enhance the educational programs for our membership. The annual June session at our new location was again very well attended and received. Our educational programs continue to grow and improve. NJAPZA recently hosted a two hour session

in Hainesport on the Right to Farm. This session was available to NJAPZA members only and those who hold a certificate received two (2) continuing education hours towards continued certification.

On behalf of the association, I extend a sincere invitation to all our members to become more involved. Please feel free to contact President-Elect Mike Proietti regarding volunteer opportunities for any of the committees.

Again, thank you for your interest and participation in NJAPZA. It is your enthusiasm that keeps NJAPZA a growing and thriving organization. I look forward to seeing you in Atlantic City at our luncheon on November 18th.

Best Regards,

Editor: Dawn Hernandez dmhernan@oldbridge.com (732)721-5600 ext. 2365

Continuing Education Credits at the 2009 League of Municipalities Conference for Certificate Holders of the Board Secretary, Zoning Official or Land Use Administrator Certificates

Continued

These sessions were identified based on the preliminary agenda 8/5/09 on the League's website. A final agenda that includes the sessions being offered by affiliates, such as NJPO, will not be available for several weeks. Additional sessions could be approved for credit, but that depends on YOU.

We need volunteers to take responsibility for checking people in before each session starts and signing CE forms after the session has ended. We can only give credit for a session if we have the coverage to ensure the integrity of the process. Your responsibilities would include arriving at the session at least one-half hour before it is scheduled to start, ensuring that those who hold a Board Secretary, Zoning Official or Land Use Administrator certificate sign in, and remaining after it has concluded to sign the CE forms of those who were present for the entire length of the session.

If you would be willing to volunteer to provide the necessary administrative support, please contact Ilene Cutroneo, Education Committee Chair, at icutroneo@princeton-township.nj.us, or Jackie Zelinka at jzelinka@dceo.rutgers.edu. Indicate which session you would be able to cover.

If there are additional sessions in the League's final agenda (check their website at njslom.org) that you think are worthy of CE credit and you would be willing to help out with coverage, let Ilene or Jackie know. Remember, we can only award credit if we have coverage.
